LANDFALL FOUNDATION AWARDS 47 GRANTS TOTALING \$131,827

WILMINGTON, NC - The Landfall Foundation today (Nov. 9, 2004) presented checks to 47 agencies to fund projects in the greater Wilmington area totaling \$131,827. In its eighth year of making grants, the foundation was able to substantially exceed the \$108,212 made in grants to 47 projects in 2003.

In addition to the grants presented, the foundation recognized recipients of the 2004-2005 class of Landfall Foundation Scholars attending UNC Wilmington, Cape Fear Community College, and Brunswick Community College. Established last year, the Landfall Foundation Scholarships supported grants totaling \$9,158 for 13 students who work at least 10 hours a week at the Country Club of Landfall or the Landfall Council of Associations. The scholarships will provide half the cost of tuition and fees each semester.

The charitable foundation was formed in 1996 to establish a community support effort specifically originating from the residents of Landfall. It allocates funds targeted to health and welfare activities, education, and the arts in Brunswick, Pender, and New Hanover counties and gives priority to organizations with low administrative overhead and high volunteer participation.
